Web Technology Mini Project Synopsis

JobGrab

"Get a Job!"

Course Code : **UE14CS356**

JobGrab is an Indian job portal operating in India founded in Jan 2017. JobGrab is designed to allow employers to post job requirements for a position to be filled and are commonly known as job boards. Our employment site offer employer reviews, career and job-search advice, and describe different job descriptions or employers. Through a job website a prospective employee can locate and fill out a job application or submit resumes over the Internet for the advertised position.
